

CALLING ALL 4th GRADERS!

Are you a bright and talented 4th GRADE student who is interested in a FREE SUMMER PROGRAM and a SCHOLARSHIP OPPORTUNITY for a PRIVATE SCHOOL education?

Educating Children, Shaping Lives, Preparing Leaders

Emerging Scholars Program (ESP) is an exciting, educational organization in the Washington, DC metropolitan area (DC, MD, N. VA) whose mission is to enhance and improve the lives and futures of a diverse group of students who may never have considered an independent school education. The Scholars Academy's 14-month enrichment program includes academic, social and emotional support to prepare students for success in independent schools and beyond. ESP and its support services are **free** to qualified students.

Who is Eligible?

ESP seeks to enroll a diverse group of 4th grade boys and girls in the Washington, DC metropolitan area who need both financial and academic preparatory assistance to excel in independent schools. Students should demonstrate motivation, academic promise, high moral character, and leadership potential. In addition, students' families must be committed to meet the responsibilities outlined by ESP.

How does ESP work?

The Scholars Academy's 14-month program provides learning opportunities for students and parents. The entire program consists of four sessions.

- Summer Session I: 7 weeks as a rising 5th grader.
- Fall/Spring Sessions: Saturdays during the 5th grade from mid-October to the following mid-May
- Fall/Spring Sessions: Monthly Saturday Morning Parent Workshops
- Summer Session II: 7 weeks as a rising 6th grader.

During the fall of the 5th grade year, ESP helps families apply to Washington, DC metropolitan area **ESP Partner Independent Schools**. ESP provides ongoing support to students and families after placement in independent schools.

Where is ESP?

One of ESP's Partner Independent School campuses
